

Nov 2, 2015

Dear Brethren,

Greetings to you and the family at Great Oaks. We hope this will find you well and enjoying healthy life. We are doing well at our age.

The Lord's work here is doing well. Christians meet for the usual services. Our Bible Class from Heb. 11 still continue and now on verse 32. The Lord's Day begins with Scripture reading, then Bible Class and main service last. We are pleased of the attendance.

Just a note on the Office activities. We have enrolled 21 students and 7 have returned lessons for grading, 2 have completed 10 lessons so far.

Students have always requested for Bibles and the demand is sky-rocketing. Unfortunately, we have nothing to offer in this regard as of now.

We love you brethren, Great Oaks Family and the work that you are doing. Your moral and financial support to us is greatly appreciated.

May the Almighty continue blessing you as you labor in His vineyard.

In the love of the Lord,

Noah and Margaret
