

Brazil Mission Report

Recife Brazil

June 2018

June was full of celebrations, events and visits of encouragement from the states. We remembered this month what God has done over the past 20 years in blessing this ministry.

The arrival of representatives from Bellevue church of Christ and Bennie and Earline Pinckley from Madison church in Alabama spearheaded a weekend of celebration of the EBNESR Training School with a homecoming for alumni, a groundbreaking ceremony for the new building and the 11th EBNESR graduation ceremony.

Presentation of EBNESR Building Plan

11th EBNESR graduation----Bellevue church singing presentation during graduation----12 students completed their coursework and received a diploma from EBNESR Leadership Training School

After the weekend of celebration the campaigners used their talents and skills to work on maintenance projects at the LAR Mana Children’s Home and at the church building in Vila dos Palmares. We were encouraged by their presence and both locations were blessed with upgrades and improvements to their buildings. The children at the LAR enjoyed games and activities in the afternoons.

A big thank you to the Bellevue team and to Bennie and Earline for sharing this time with us.

Family Blessings

We were privileged to have most of our daughter’s family visit with us during 5 weeks which included the month of June. Amanda spoke to a group of professionals and parents on the topic of Autism and during the 10 days Justin was with us he presented a series of lessons to the youth of the church in Boa Viagem during Sunday morning Bible class and after lunch on Sunday afternoon. We are thankful for their willingness to serve and bless others using their experiences and gifts of sharing.

Prayers for each of you as you serve God where you are. We ask for your prayers on the ministry of sharing the gospel in northeast Brazil.
